Meet Us in St. Louis!! Delta Sigma Pi LEAD

By Brother Artie Patel

South Central LEAD Provincial Conference and Council Meeting from March 2-4, 2007, was one of the best times I've ever had along side with other Del-tasigs and pledges. Our agenda was planned out starting with Check-in/ registration, opening ceremony, breakout sessions, lunches, dinners, awards, and closing. I learned a lot in my session with Jerry Hotwagner, who taught us about P.O.I.N.T which helped will help me with capstone. Jeff Berlat presented two sessions Personal Finance: savings and investing along with Using Credit cards wisely, these two course made me realize that there are many ways to save and be wise with spending. I learned about IRA's, 401K's, and how to start saving for retirement now. My first LEAD convention could not have been a more memorable one; I not only learned financial life lessons, but experienced another level of Delta Sigma Pi brotherhood by meeting people from other chapters. I am looking forward to the 2008 South Central Lead Provincial Conference, February 22-24 in Oklahoma City.

Beta Epsilon Takes a Swing at Fundraising

By Brother John Marshall

The Beta Epsilon chapter will host the 1st Annual Delta Sigma Pi 4-Man Scramble Golf Tournament on Sunday, April 29th, at the Jimmie Austin University of Oklahoma Golf Course. The 4-man scramble format will allow current members, alumni, and others in our community a chance to come together in an enjoyable atmosphere to

compete in the tournament. The entry fee is \$85 per person or \$340 per team. The chapter will also be accepting hole sponsorships which includes a sign on the tee box on one of 18 holes thanking the company or individual for their contribution to the tournament and the Beta Epsilon chapter.

Proceeds will help fund the Annual Awards Banquet and Rose Formal being held the same weekend at Remington Park in Oklahoma City.

For more information or any questions you may have, please contact John Marshall at (405) 659-7293. We look forward to having a great alumni turnout at the event!

Beta Epsilon's Hayride 2007

By Brother Matt Greenleaf

The Spring '07 Hayride was a huge success! Despite gusty winds and cold temperatures, the highlight of this Hayride was the return of bonfires. In fact, the theme for the whole evening was "We Got Our Fire Back." It had been two or three semesters in a row that we were not allowed to have the traditional bonfires because of burn bans placed into effect by the state of Oklahoma. Brothers were encouraged to represent the return of the fire by wearing Red, Yellow, and Orange colors.

Several Brothers of Gamma Epsilon's chapter drove down from Stillwater to join in the fun, and even a few Beta Epsilon Alumni graced us with their presence. It is always fun to catch up with Alumni Brothers to see how the real world is treating them. Overall the night was a lot of fun. Bigs found out who their new Littles were, plenty of hot dogs were consumed, and marshmallows set ablaze. Yes, it definitely was nice to get our fire back.

A New Rose Formal

By Brother Alyson McDaniel

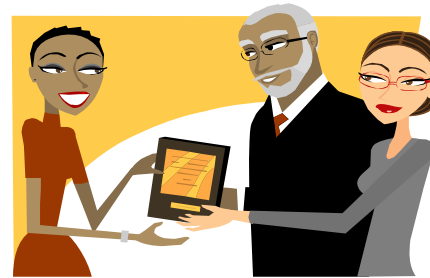

After a great comeback for Rose Formal last year, Beta Epsilon decided to take it one step further. For the first time, the Scholarship and Awards Banquet is being combined with Rose Formal making it a bigger event than ever! The annual Rose Formal Scholarship and Awards Banquet will be Saturday, April 28th, at Remington Park Racetrack and Casino in Oklahoma City at seven o'clock in the evening.

DSP Beta Epsilon will honor outstanding members, faculty and staff, as well as new chapter sponsors. It is very important to us that we have a great turnout for this event in order to show both new and potential sponsors what a fantastic organization we really are, as well as to formally recognize those who have demonstrated outstanding brotherhood.

Dinner is set for 7:30 p.m. and options include herb roasted chicken, beef brisket barbeque, and a vegetarian dish. Valet parking is provided and a formal dance will follow the awards presentation. For more information or to purchase tickets please contact: Allyson McDaniel 580.467.6959 or Katie Giebler 405.642.9248

OU, OSU, and DSP Alumni Sofessional Race Event

By Brother Angie Trevino

Among the many events going on this semester, Beta Epsilon wanted to have an event to strengthen the relationship with alumni along with other chapters. Alumni Levi Wade has been generous enough to donate his time and energy into creating an event for the Beta Epsilon and Gamma Epsilon chapters, and alumni chapter.

Both chapters, along with DSP alumni, will be racing go carts at Poll Position Raceway in OKC on Sunday, April 1 starting at 10AM. Each race will be \$15 per race, and the final race will among an OU, OSU, and Alumni member. A prize will be given to the person with fastest racing time. The event is sure to be an excite everyone with go carts going up to 45 mph and 1/4 mile long indoor course.

Aside from being a social event for everyone, it will also be a professional event for members, alumni, and pledges because alumni Wade will be giving a presentation on the Leadership Foundation and its benefit to the chapters. This event will hopefully pave the way for future member and alumni activities.

**Beta Epsilon,
Gamma Epsilon,
And
DSP Alumni
will Race Go
Carts at Poll
Position in

Brother of the Month

Brother John Marshall was voted Brother of the Month for the March by the Beta Epsilon chapter because of his successful fundraising efforts. Brother Marshall's efforts include creating a Beta Epsilon garage sale, planning a golf tournament, and house and business flocking. Flocking has even given many alumni the opportunity to assist chapter in fundraising. He continues to create innovative fundraising opportunities for Beta Epsilon that will help the chapter raise money for DSP events for this semester and semesters to come.
